

Home Cooked Potatoes

To the tune of "Home Grown Tomatoes," lyrics by Brenda McDaniel)

*Chorus:

[C] Home cooked potatoes, home cooked potatoes
[F] what would we do without home cooked potatoes
[G7] Fry them or bake them put them in a stew
[C] they're so good whatever you do

[C] Loaded on tacos with eggs and cheddar
[F] add some salsa and you'll feel belter
[G7] Boil them and bake them, cover them with butter
[C] Add blue cheese and you'll want another

*Chorus:

[C] Home cooked potatoes, home cooked potatoes
[F] What would we do without home cooked potatoes?
[G7] Fry them or bake them put them in a stew
[C] They're so good whatever you do.

[C] When I'm tired and feeling blue
[F] only cottage fries will do
[G7] Slice 'em thin and you'll shout, "Eureka!"
[C] when you add some smoked paprika

Kazoo chorus interlude:

[C] Home cooked potatoes, home cooked potatoes
[F] What would we do without home cooked potatoes?
[G7] Fry them or bake them put them in a stew
[C] They're so good whatever you do

[C] We all love our mashed potatoes
[F] What is left we'd save for later
[G7] But mom was clever and dad was too
[C] made us latkes that we'd eat too

*Chorus:

[C] Home cooked potatoes, home cooked potatoes

[F] What would we do without home cooked potatoes?

[G7] Fry them or bake them put them in a stew

[C] They're so good whatever you do

[C] I hope that you enjoyed this song

[F] And I trust you sang along

[G7] good times or bad the only solution

[C] Home cooked potatoes It's an institution

*Chorus:

[C] Home cooked potatoes, home cooked potatoes

[F] What would we do without home cooked potatoes?

[G7] Fry them or bake them put them in a stew

[C] They're so good whatever you do
