[C] [C/B] [Am] [Gsus4] [F] [Gsus4]

Verse 1

[C] Betty, [C/B] I won't make [Am] assumptions
About [Gsus4] why you switched your [F] homeroom
But I think it's cause of [Gsus4] me

on my [Gsus4] skateboard when I [F] passed your house
It's like I couldn't [Gsus4] breathe

Pre-Chorus

[C] You heard the [C/B] rumors from [Am] Inez
You can't be [Gsus4] lieve a word she [F] says most times
But this time it was [Gsus4] true
The [Am] worst thing [Gsus4] that I [C] ever [F] did
was [Am] what I [G] did to [F] you [G]

Chorus

But if I just [C] showed up at your [C/B] party
Would you [Am] have me? Would you [G] want me?
Would you [F] tell me to go [Am] fuck myself
Or [G] lead me to the garden?
In the [C] garden would you [C/B] trust me
If I [Am] told you it was [G] just a summer [F] thing?
I'm only [Am] seventeen, I [G] don't know anything

But I know I miss [C]you

[Am]I was walking home on [G] broken cobblestones

Just thinking [F]of you when she pulled up

turned into [F]nights, slept next to her

Verse 3

[C] Betty, [C/B] I'm here on your [Am] doorstep
And I [Gsus4] planned it out for [F] weeks now
But it's finally sinking [Gsus4] in
[C] Betty, [C/B] right now is the [Am] last time
I can [Gsus4] dream about what [F] happens when
You see my face [Gsus4] again
The [Am] only [G] thing I [C] want to [F] do
Is [Am] make it [G] up to [F] you [G]
So I [C] showed up at your [C/B] party [Am] [G] [F] [Em] [G]
Yeah, I [C] showed up at your [C/B] party [Am] [G] [F] [Em] [G]

Chorus

Yeah, I [D] showed up at your [D/C#] party
Will you [Bm] have me will you [A] love me
Will you [G] kiss me on the [D/F#] porch
In front of [Em] all your stupid [A] friends?
If you [D] kiss me, will it [D/C#] be
just like I [Bm] dreamed it
Will it [A] patch your broken [G] wings
I'm only [D/F#] seventeen, I [Em] don't know any [A] thing
But I know I [D] miss you [A] [G]

Outro

[Gsus2] Standing in your [D] cardigan [A] [G]
[Gsus2] Kissing in my [D] car again [A] [G]
[G] Stopped at a streetlight
you know, I [D] miss you [D/F#] [G]
