## Intro

[Gm] [F]

## Verse 1

From the [Gm]coast of gold, across the [F]seven seas

I'm [Gm]travellin' on, [F]far and wide

But [Eb]now it seems, I'm [F]just a [Gm]stranger to myself

And all the [F]things I sometimes do, it [Eb]isn't me but someone else

## Verse 2

I [Gm]close my eyes, and [F]think of home

Another [Gm]city goes by in the [F]night

Ain't it [Eb]funny how it is, you [F]never [Gm]miss it 'til it's gone away

And my [F]heart is lying there and will be [Eb]'til my dying day

## Chorus

[Bb]So [Eb] [C5] unders[F]tand [Eb] [C5]

Don't [Gm]waste your time always [F]searching for those [Eb]wasted years

[Bb]Face up [Eb] [C5] make your s[F]tand [Eb] [C5]

And [Gm]realize you're [F]living in the [Eb]golden years

## Verse 3

[Gm]Too much time on my hands, I got [F]you on my mind

Can't [Gm]ease this pain, so [F]easily

When you [Eb]can't find the words to say it's [F]hard to [Gm]make it through another day

And it [F]makes me wanna cry and throw my [Eb]hands up to the sky

## Chorus

[Bb]So [Eb] [C5] unders[F]tand [Eb] [C5]

Don't [Gm]waste your time always [F]searching for those [Eb]wasted years

[Bb]Face up [Eb] [C5] make your s[F]tand [Eb] [C5]

And [Gm]realize you're [F]living in the [Eb]golden years
