

# What We Really Want

Rosanne Cash - 1990 From the album "Interiors"

[Am] [C] [F] [F] [Am] [C] [F] [F]

[Am]We tried to make ourselves [C]pay [F]for something we've never done  
[Am]We threw the best parts of [C]life away on [F]street talk strangers and drugs  
What we [G]really want is [Am]love What we [G]really need is [Am]love

[(Am)] [C] [F] [F]

[Am]I wanna call out your [C]name [F]I wanna hold out my hand  
[Am]A woman silent in the [C]mirror tonight wants to [F]talk to your mirror man  
And what [G]they really want is [Am]love and what [G]they really need is [Am]love

[(Am)] [C] [F] [F] [Am] [C] [F] [F]

[Am]We are ships in the [C]night [F]the water is deep in between  
[Am]There is reason and we [C]can't find the light so we [F]sail off into our dreams  
And what we [G]really dream is [Am]love and what we [G]really need is...  
[F]What we want is [G]love [F]What we need is [G]love

[Am] [C] [F] [F] [Am] [C] [F] [F]

(Quieter, single strums)

[Am]We tried to make it feel [C]right [F]in someone else's [F]world  
[Am]We sat and looked out my [C]window last night  
[F]And knew that things had changed with this [F]girl

(Resume struming)

Cause what I [G]really found was [Am]love cause what we [G]really need is [F]love  
What we [G]really want is [Am]love What we [G]really need is...  
[F]What we want is [G]love [F]what we need is [G]love
