

# Yodeling Farmer's Song

Stew Clayton (Canadian)

## Verse 1:

[A] Way down on the farm in the [D] early [A] morn  
When the sun begins to [E7] shine,  
I'll [A] stroll along the [D] woodland [A] trails  
And leave all my [E7] cares be-[A] -hind.  
[A] Wild flowers shine in the [D] mornin' [A] dew  
And my old goat tags a-[E7]-long,  
And the [A] mockingbird sings a-[D]-long with [A] me:  
My yodeling [E7] farmer's [A] song.

## Chorus:

Yode-[A] -lay ee ee oh; hee de-[E7]-lay ee ee ay;  
[E7] Hee delay ee ee, ay ee ee, [A] ay ee ee oh;  
Yode-[A] -lay ee ee oh; hee de-[E7]-lay ee ee ay;  
[E7] Hee delay ee ee, ay ee ee, [A] ay ee ee oh;  
Yode-[E7]-lay ee ee; ay ee ee; [A] ay ee ee oh.

## Verse 2:

[A] Where the air is pure and [D] life is [A] free,  
Just feel that summery [E7] breeze,  
And the [A] red squirrels chatter a-[D]-round my [A] door.  
It's home, sweet [E7] home to [A] me.  
[A] So you can have your cities  
where [D] smoke fills the [A] air.  
Hurry and noise every-[E7]-where.  
I'll [A] take my little old [D] country [A] home.  
I can yodel a-[E7]-way out [A] there.

## Chorus:

Yode-[A] -lay ee ee oh; hee de-[E7]-lay ee ee ay;  
[E7] Hee delay ee ee, ay ee ee, [A] ay ee ee oh;

Yode-[A] -lay ee ee oh; hee de-[E7]-lay ee ee ay;  
[E7] Hee delay ee ee, ay ee ee, [A] ay ee ee oh;  
Yode-[E7]-lay ee ee; ay ee ee; [A] ay ee ee oh.
