[E]Well I never been to [A]Spain  
But I kinda like the [E]music  
Say the ladies are in[A]sane there  
And they sure know how to [E]use it  
They don't a[B7]buse it  
Never gonna [A]lose it  
I can't re[E]fuse it

[E]Well I never been to [A]England  
But I kinda like the [E]Beatles  
Well, I headed for Las [A]Vegas  
Only made it out to [E]Needles  
Can you [B7]feel it  
It must be [A]real it  
Feels so [E]good  
Oh, feels so good

[E]Well I never been to [A]heaven  
But I been to Okla[E]homa  
Well they tell me I was [A]born there  
But I really don't re[E]member  
In Okla[B7]homa, not Ari[A]zona  
What does it [E]matter  
What does it matter

[E]Well I never been to [A]Spain  
But I kinda like the [E]music  
Say the ladies are in[A]sane there  
And they sure know how to [E]use it  
They don't a[B7]buse it  
Never gonna [A]lose it  
I can't re[E]fuse it

[E]Well I never been to [A]heaven

Well they tell me I was [A]born there  
But I really don't re[E]member  
In Okla[B7]homa, not Ari[A]zona  
What does it [E]matter?  
What does it matter?
