[G]As I sit here alone, [C]sheltering in place,  
[D]I'm missing my sweet love and [C]imagine her [G]face.  
[G]As the days go by the [C]more I miss her so,  
[D]As I know I know you know your not supposed to go...  
But [C]days turned to weeks and [G]finally we agreed  
to [C]meet somewhere tonight...  
[D]I opened my arms with big old hug, what she says to me....

[C]"I love you - don't touch me, that's the [G]way it's gonna be..  
[C]I love you - don't touch me, stay [D]6 feet away from me...  
[C]I love you - don't touch me, it's the [G]new reali[Em]ty..."  
[G]I love you - don't touch me, [D]that's what she said to [G]me!

[G]So yesterday I called my Mom, to [C]see if she was fine.  
[D]I brought some food and some toilet paper, I  
[C]stood in some real long [G]lines.  
I [G]wore a mask and did what was asked to [C]make sure she got fed.  
[D]I opened my arms for a hug and a kiss...  
and this is what she said...

[C]"I love you - don't touch me, that's the [G]way it's gonna be..  
[C]I love you - don't touch me, stay [D]6 feet away from me...  
[C]I love you - don't touch me, it's the [G]new reali[Em]ty..."  
[G]I love you - don't touch me, [D]that's what she said to [G]me!

[C]"I love you - don't touch me, that's the [G]way it's gonna be..

[C] I love you - don't touch me, stay [D] 6 feet away from me...

[C] I love you - don't touch me, it's the [G] new reali[Em]ty..."

[G] I love you - don't touch me, [D] that's what she said to [G] me!
