

# My Billionaire Daddies are Fighting

Jesse Welles

**[A]** My billionaire daddies are Fighting  
oh the big dogs are getting **[D]** divorced  
and they're going out loud  
they're **[A]** going out proud  
it's a **[E]** quarter of a billion dollar buyer's remorse

**[A]** my billionaire daddies are Fighting  
and I don't know how I should **[D]** feel  
will the custody of little **[A]** baby  
JD still **[E]** roll on over to Peter Thiel

**[D]** my billionaire daddies are Fighting  
it's **[A]** something that you'd never **[F#dim]** expect  
turns out the **[E]** enemy of your enemy ain't a friend  
he's just a stepping stone over the left  
but he'll be pointing his money pretty soon I'll bet  
at anybody over there who will take a check

**[A]** these billionaire types are persistent  
yeah they're used to getting what they **[D]** want  
and it may sound wild  
they're a **[A]** little entitled  
then **[E]** again I never walked a mile in their yacht

**[D]** now it's never been a problem before  
but **[A]** now that he's getting **[F#dim]** dismissed  
the first **[E]** buddy's concerned and thinks we all need to learn  
the commander in chief's on Epstein's list

**[A]** my billionaire daddies are Fighting  
yeah I wonder what'll happen **[D]** next

first the man became meme now in the **[A]** final scene  
he's gonna **[E]** need to put an E in front of the **[A]** X  
**[F9]/ [A9]/**
