

# Snowin' On Raton

Townes Van Zandt

Instrumental 1st line:

[D] When the [A7] wind don't blow in Ama-[D] -rillo

[D] When the [A7] wind don't blow in Ama-[D] -rillo  
And the [A7] moon along the Gunnison don't [D] rise,  
Shall I [G] cast my dreams upon your [D] love, babe,  
And lie beneath the [G] laughter of your [D] eyes?

Chorus:

It's [D] snowin' [G] on Ra- [D] -ton  
Come [A7] morning I'll be [G] through them hills and [D] gone

[A7] Mother thinks the road is long and [D] lonely.  
Little [A7] brother thinks the road is straight and [D] fine.  
Little [G] darling thinks the road is soft and [D] lovely.  
I'm thankful that old [G] road is a friend of [D] mine.

Chorus:

It's [D] snowin' [G] on Ra- [D] -ton  
Come [A7] morning I'll be [G] through them hills and [D] gone

Instrumental chorus:

It's [D] snowin' [G] on Ra- [D] -ton  
Come [A7] morning I'll be [G] through them hills and [D] gone

[D] Bid the [A7] years good-bye; you cannot [D] still them.  
You [A7] cannot turn the circles of the [D] sun.  
You [G] cannot count the miles until you [D] feel them,  
And you cannot hold a [G] lover that has [D] gone.

Chorus:

It's [D] snowin' [G] on Ra- [D] -ton

Come [A7] morning I'll be [G] through them hills and [D] gone

Instrumental chorus:

It's [D] snowin' [G] on Ra- [D] -ton

Come [A7] morning I'll be [G] through them hills and [D] gone

[D] To- [A7] -morrow the mountains will be [D] sleeping,

[A7] Silent 'neath a blanket green and [D] blue,

And [G] I can hear the silence they are [D] keeping.

I'll bring all their [G] promises to [D] you.

Chorus:

It's [D] snowin' [G] on Ra- [D] -ton

Come [A7] morning I'll be [G] through them hills and [D] gone

Instrumental verse:

[D] When the [A7] wind don't blow in Ama-[D] -rillo

And the [A7] moon along the Gunnison don't [D] rise,

Shall I [G] cast my dreams upon your [D] love, babe,

And lie beneath the [G] laughter of your [D] eyes?
