Everclear

[G] [G6]

I am still living with your ghost
Lonely and dreaming of the west coast
I don't wanna be your **[D] [E]** down **[C]** time
I don't wanna be your **[G] [G6]** stupid game

[G] [G6]

With my big black boots and an old suitcase
I do believe I'll find myself a new place
I don't wanna be the **[D] [E]** bad **[C]** guy
I don't wanna do your **[G] [G6]** sleepwalk dance anymore
I just wanna see some **[D] [E]** palm **[C]** trees
I will try and shake **[G] [G6]** away this disease

[G] We can live beside the **[C]** ocean
[C] Leave the fire **[G]** behind
[G] Swim out past the **[D]** breakers
[D] Watch the world **[G]** die

[G] We can live beside the **[C]** ocean
[C] Leave the fire **[G]** behind
[G] Swim out past the **[D]** breakers
[D] Watch the world **[G]** die

[G] [G6]

I am still dreaming of your face
Hungry and hollow for all the things you took away
I don't wanna be your **[D] [E]** good **[C]** time
I don't wanna be your **[G] [G6]** fall-back crutch anymore

[G] [G6]

Walk right up into a brand new day
Insane and rising in my own weird way
I don't wanna be the [D] [E] bad [C] guy
I don't wanna do your [G] [G6] sleepwalk dance anymore
I just wanna feel some [D] [E] sun [C] shine
I just wanna find some [G] [G6] place to be alone

[G] We can live beside the [C] ocean
[C] Leave the fire [G] behind
[G] Swim out past the [D] breakers
[D] Watch the world [G] die

[G] We can live beside the [C] ocean
[C] Leave the fire [G] behind
[G] Swim out past the [D] breakers
[D] Watch the world [G] die

[G] We can live beside the [C] ocean
[C] Leave the fire [G] behind
[G] Swim out past the [D] breakers
[D] Watch the world [G] die

[G] We can live beside the [C] ocean
[C] Leave the fire [G] behind
[G] Swim out past the [D] breakers
[D] Watch the world [G] die

[G] [G6]

Yeah, watch the world die
Yeah, watch the world die
Yeah, watch the world die
Yeah, watch the world die
