David Halley

Instrumental last 2 lines:

[A] Rain don't [D] fall for the [A] flowers  
If its [D] falling [A] rain [E7] just [A] falls

Verse 1:

[A] In the still of the night  
All the [D] feeling inside me  
Is con-[A]-cealed in a sight from sore [E7] eyes  
And the [A] bells distance tolling  
Only keeps my mind [D] open  
To the [A] half truths that are [E7] always half [A] lies [A7]

Well it [D] might be the [E7] sound of a [A] shell I once found  
Or [D] some kind of [E7] tumbling down [A] wall [A7]  
But it [D] ain't on your [E7] account that I'm [A] leaving if I'm [D] leaving  
[A] Rain don't [D] fall for the [A] flowers  
If its [D] falling [A] rain [E7] just [A] falls

Verse 2:

[A] Well to have and to hold you  
I re-[D]-member I told you  
That [A] always til death do us [E7] part  
But I [A] can't touch that time  
I'm know out of my [D] mind  
And I'm [A] feeling like I'm [E7] out of my [A] heart [A7]

It [D] might be the [E7] word of a [A] prophet I once heard  
Or [D] some kind of [E7] long distance [A] call [A7]  
But it [D] ain't on your ac-[E7]-count that I'm [A] leaving if I'm [D] leaving  
[A] Rain don't [D] fall for the [A] flowers  
If it's [D] falling [A] rain [E7] just [A] falls
