

# Downtown Train

Tom Waits - Sung by Mary-Chapin Carpenter

[C]//// [C]//// [F]//// [G]//// x2

(Verse 1)

[C] Outside an[F]other yel[G]low m[C]oon  
Has punched a [F]hole in the [G]night-time [C]  
I climb through the [F]window and [G]down to the [C]street  
I'm [F]shining like a [G]new dime

[F] The downtown [G]trains are full  
[F] With all those [G]Brooklyn girls  
[F] They try so hard to [G]break out of their little worlds [C]

(Verse 2)

You wave your [F]hand and they [G]scatter like crows[C]  
They have [F]nothing that will ever [G]capture your [C]heart  
They're just [F]thorns without[G] the rose[C]  
Oh, be care-[F]ful of them [G]in the dark [F]

And if I [G]was the one

[F] You chose to be your [G]only one  
[F] Oh baby now, [G]can't you hear me now[C]

(Chorus)

Will I see you tonight[F] [C] on a downtown [F]train  
[C] Where every night [F] it's just the same[Dm]  
[G] You leave me lonely now[C]

(Verse 3)

I know your [F]window and I [G]know it's [C]late  
I know [F]your stairs and your [G]doorway  
[C] I walk down your [F]street and [G]past your gate [C]  
I stand by [F]the light at the [G]four-way

[F] You watch them as [G]they fall  
[F]Ooh, and they all [G]have heart attacks  
They [F]stay at the carnival,  
but [G]they'll never win you [C]back

(Chorus)

Will I see you to-[F]night [C] on a downtown train[F]  
[C] Where every night, [F]every night it's just the [Dm]same  
[G] You leave me lonely [C]

Will I see you tonight[F] [C] on a downtown [F]train  
[C] Where every night,[F] every night is just the [Dm]same  
[G] all upon a downtown [(C)]train

(Instrumental break)
