(Verse 1)

[Bb] She was the color of the [F]Indian summer

[C] And we shared the hours without number

[Bb] Until one day when the [Dm]skies turned dark

And the [C]winds grew wild [G] [A]

[Bb] Caught by the rain and [F]blinded by the lightnin'

[C] We rode the storm out [A]there on [G]Thunder [F]Island

(Solo)

[F] [C] [G] (3x)

(Verse 2)

[Bb](hold) I held her close[F](hold) until the storm passed

[C](hold) And we fell down laughing in the wet grass

[Bb](hold) Both our bodies [Dm](hold) drying in the sun[C](hold) shine, sweet
sunshine [G] [A]

(Chorus)

So, [Bb]sha-la-la-la-[F]la-la my lady

[C] In the sun with your dress undone

[Bb] Now, every mile a[Dm]way and every day

Cuts a [C]little bit deeper [G] [A]

[Bb] I'll remember the [F]nights in the cool sand

[C] Making love [A]out on [G]Thunder [F]Island
