

# Keep off the Grass

Todd Snider

[G]It keeps on getting [G]harder [D]to keep on keeping [D]on  
with [C]everybody screaming [D]orders in my [G]ear. [G]

[G]It keeps on getting [G]harder [D]to keep on keeping [D]on  
with [C]everybody screaming [D]orders in my [G]ear. [G]  
I [G]want to be my [G]own man. I'd [D]love to walk [D]alone.  
But every[C]time I leave my [C]home, t[D]his is what I [G]hear.

Keep your [C]nose clean, [C]head above water.  
keep your [G]feet on the ground. keep your [G]hands off my daughter.  
Keep your [D]back to the wind. Keep your [D]thoughts to yourself.  
An [C]eye on the clock. Keep an [C]eye on your health.  
I [D]wish they'd let me just [D]keep to myself.  
[D]I do fine on my [G]own.

[G] [G] [G]

[G]They say to keep up with the [G]times, [D]keep up with the [D]Jones.  
[C]Keep up with the [D]rest of your [G]class. [G]  
So I [G]keep an open [G]mind when this [D]close minded [D]world.  
Keeps on [C]telling me to [D] keep off this [G]grass [G]

Keep your [C]nose clean, [C]head above water.  
keep your [G]feet on the ground. keep your [G]hands off my daughter.  
Keep your [D]back to the wind. Keep your [D]thoughts to yourself.  
Keep an [C]eye on the clock, an [C]eye on your health.  
I [D]wish they'd let me just [D]keep to myself.  
[D]I do fine on my [G]own.

Keeping your [C]nose clean, your [C]head above water.  
keep your [G]feet on the ground. keep your [G]hands off my daughter.  
Keep your [D]back to the wind, your [D]thoughts to yourself.

An [C]eye on the clock and an [C]eye on your health.

I [D]wish they'd let me just [D]keep to myself.

[D]I do fine on my [G]own.

[G] [G] [G]

[G]It keeps on getting [G]harder [D]to keep on keeping [D]on  
with [C]everybody screaming [D]orders in my [G]ear. [G]

So I [G]keep an open [G]mind. It's a [D]close minded [D]world.

Always [C]telling me to [D]keep of this [G]gr[C]as[G]s.[C] [G]
