

Who'll Stop The Rain

Credence Clearwater Revival

(Intro)

[C] [C] [Am] [Am] [C] [C]

[C] As long as I remember, the [F] rain's been comin' [C] down
 Clouds of mystery pourin', [F] confusion on the [C] ground
 [F] Good men through the [C] ages, [F] tryin' to find the [C] sun
 [F] And I wonder, [G] still I wonder, [Am] who'll stop the [C] rain [C]

[C] I went down Virginia, seekin' [F] shelter from the [C] storm
 Caught up in the [Em] fable, I [F] watched the tower [C] grow
 [F] Five year plans and [C] new deals, [F] wrapped in golden [C] chains
 [F] And I wonder, [G] still I wonder, [Am] who'll stop the [C] rain? [C]

(Break)

[F] [C] [G] [Dm] [F] [Am] [G] [C] [C]

[C] Heard the singers playin', [F] how we cheered for [C] more
 The crowd then rushed [Em] together, [F] tryin' to keep [C] warm
 [F] Still the rain kept [C] pourin', [F] fallin' on my [C] ears
 [F] And I wonder, [G] still I wonder, **Am-Stop** who'll stop the [C] rain?
