[C] Bottle of wine, fruit of the vine,  
When you gonna let me get [G] so-[C]ber?  
Let me alone, let me go home,  
Let me go back and start [G] o-[C]ver.

[C] Rambling [G] around this [F] dirty old [C] town,  
Singing for [F] nickels and [C] dimes  
Time's getting [G] tough, I [F] ain't got [C] enough  
To buy me a [G] bottle of [C] wine.

[C] Little ho-[G]tel, [F] older than [C] hell,  
Dark as the [F] coal in a [C] mine.  
Blankets are [G] thin, I [F] lay there and [C] grin,  
I got a little [G] bottle of [C] wine.

[C] Pain in my [G] head, [F] bugs in my [C] bed,  
Pants are so [F] old that they [C] shine.  
Out on the [G] street, ask the [F] people I [C] meet  
to buy me a [G] bottle of [C] wine

[C] Preacher will [G] preach, [F] teacher will [C] teach,  
Miner will [F] dig in the [C]mine.  
I ride the [G] rods, [F] trusting in [C] God  
Huggin' my [G]bottle of [C] wine.
