

Never Been to Spain

Three Dog Night

[E]Well I never been to [A]Spain
But I kinda like the [E]music
Say the ladies are in[A]sane there
And they sure know how to [E]use it
They don't a[B7]buse it
Never gonna [A]lose it
I can't re[E]fuse it

[E]Well I never been to [A]England
But I kinda like the [E]Beatles
Well, I headed for Las [A]Vegas
Only made it out to [E]Needles
Can you [B7]feel it
It must be [A]real it
Feels so [E]good
Oh, feels so good

[E]Well I never been to [A]heaven
But I been to Okla[E]homa
Well they tell me I was [A]born there
But I really don't re[E]member
In Okla[B7]homa, not Ari[A]zona
What does it [E]matter
What does it matter

[E]Well I never been to [A]Spain
But I kinda like the [E]music
Say the ladies are in[A]sane there
And they sure know how to [E]use it
They don't a[B7]buse it
Never gonna [A]lose it

I can't re[E]fuse it

[E]Well I never been to [A]heaven

But I been to Okla[E]homa

Well they tell me I was [A]born there

But I really don't re[E]member

In Okla[B7]homa, not Ari[A]zona

What does it [E]matter?

What does it matter?
