There were [A] green alligators and [Bm] long-necked geese
Some [E7] humpty-back camels and some [A] chimpanzees

The [A] loveliest of all was the [E7] uni [A] corn.

Now [A] God saw some sinning and it [Bm] gave Him pain

"Pick some [A] animals and build me a [E7] floating [A] zoo."

Chorus 2:

Get some [A] green alligators and [Bm] long-necked geese
Some [E7] humpty-back camels and some [A] chimpanzees
Some [A] cats and rats and [A7] elephants, but [D] sure as you're born
[A] Don't you forget my [E7] uni [A] corn.

Old [A] Noah was there to [Bm] answer the call

" I got your [A] green alligators and [Bm] long-necked geese
Some [E7] humpy-back camels and some [A] chimpanzees

I [A] just can't see one [E7] uni [A] corn."

Verse 4:

[A] Noah looked out through the [Bm] driving rain
The [E7] unicorns were hiding, playing [A] silly games
[A] Kicking and [A7] splashing while the [D] rain was pouring

There were [A] green alligators and [Bm] long-necked geese
Some [E7] humpy-back camels and some [A] chimpanzees

The [A] ark started movin', it [Bm] drifted with the tide
The [E7] unicorns looked up from the [A] rocks and they cried.

And [A] that's why you'll never seen a [E7] unicorn to [A] day.

Chorus 5:

You'll see [A] green alligators and [Bm] long-necked geese
Some [E7] humpy-back camels and some [A] chimpanzees
