

# Who'll Stop The Rain

Credence Clearwater Revival

[C] As long as I remember, the [F] rain's been comin' [C] down  
Clouds of mystery pourin', [F] confusion on the [C] ground  
[F] Good men through the [C] ages, [F] tryin' to find the [C] sun  
[F] And I wonder, [G7] still I wonder, [Am] who'll stop the [C] rain [C]

[C] I went down Virginia, seekin' [F] shelter from the [C] storm  
Caught up in the [Am] fable, I [F] watched the tower [C] grow  
[F] Five year plans and [C] new deals, [F] wrapped in golden [C] chains  
[F] And I wonder, [G7] still I wonder, [Am] who'll stop the [C] rain? [C]

[C] Heard the singers playin', [F] how we cheered for [C] more  
The crowd then rushed [Am] together, [F] tryin' to keep [C] warm  
[F] Still the rain kept [C] pourin', [F] fallin' on my [C] ears  
[F] And I wonder, [G7] still I wonder, [Am] who'll stop the [C] rain?
