

# Further on up the Road

Johnny Cash

[D] /// [A]//////// [C]//////// [Am]/// [E7]/// [A]///

[A] Where the road is dark and the seed is [C] sowed  
Where the gun is [Am] cocked and the bullet's [C] cold  
Where the miles are [Am] marked in the [G] blood and [A] the gold  
[G] I'll [F] meet you further [G] on up the [A] road

(NC) Got on my dead man's [A] suit and my smilin' skull [C] ring  
My lucky graveyard [A] boots and song to [C] sing  
I got a song to [A] sing, [G] to keep me out of the [A] cold [G]  
And I'll [F] meet you further [G] on up the [A] road.  
(NC) Further on up the [C] road

Further on up the [A] road  
Where the way is [C] dark and the night is [E7] cold  
One sunny [A] mornin' [G] we'll rise I [A] know [G]  
And I'll [F] meet you further [G] on up the [A] road.

[G]/ [A]/// /// [C]/// /// [A]/// [E7]/// [A]/// [A] -stop

(NC) Now I been out in the [A] desert, just doin' my [C] time  
Searchin' through the [A] dust, lookin' for a [C] sign  
If there's a light up a[G]head well brother I don't [A] know [G]  
Coz I [F] got this fever [G] burnin' in my [A] soul

Further on up the [C] road  
Further on up the [A] road  
Further on up the [C] road  
Further on up the [E7] road

One sunny [A] mornin' [G] we'll rise I [A] know [G]  
And I'll [F] meet you further [G] on up the [A] road [G]

[G]/// [A]/// [G]/// [A]/// [G]/// [A]///

Note that on the chords you should use finger lifts to get the right feel (e.g. A -> Am)
