VERSE 1

Am **D7** **F** **D**
 To see you there crying, boy brings to mind

 all the things I told you one time

 I told you she'd hurt you
Am **F7**
 and leave more re- gret
D **E7**
 and more heartache than you could ever
Am **Am**
 forget (hold)

CHORUS

G
 So sit there and cry, boy
E7 **Am**
 the way that I did one time
G
 and wish you could die, boy
E7 **Am**
 to get that woman off of your mind
G
 Go on and fall all to pieces, son
E7 **Am** **D** **D7**
 the way that she made me do ooh ooh ooh ooh
F7 **E7**
 I know what you're going through (hold)
Am **E7** **Am**
 and I feel for you

 she'd leave you for someone the way she did me
