

## Some Beach

Blake Shelton

[C]Driving down the interstate

Running thirty minutes late  
Singing Margaritaville and [G]minding my own  
[G]Some foreign car drivin' dude with the road rage attitude  
Pulled up beside me talkin' [C]on his cell phone  
He [F]started yelling at me like I [C]did something wrong  
He [F]flipped me the bird an' [G]then he was gone

Some [F]beach  
Some[C]where  
There's a [G]big umbrella casting shade over an [C]empty chair  
[F]Palm trees are growin' and a warm breezes a blowing  
I picture myself right [C]there  
On Some [G]beach, some[C]where

[C]I circled the parkin' lot, trying to find a spot  
Just big enough I could [G]park my old truck  
[G]A man with a big cigar was getting into his car  
I stopped and I waited for [C]him to back up  
[F]From out of no where a [C]Mercedes Benz  
[F]Came cruisin' up and [G]whipped right in

Some [F]beach  
Somew[C]here  
There's[G] nowhere to go when you got all day to get[C] there  
[F]There's cold margaritas and hot Senoritas smiling with long [C]dark hair  
On some [G]beach  
Somew[C]here

[G] I sat in that waiting room  
It seemed like all afternoon  
The nurse finally said doc's [C] ready for you  
[G] you're not gonna feel a thing we'll give you some novocaine  
That tooth will be fine in a [C] minute or two  
But [F] he stuck that needle down [C] deep in my gum  
And [F] he started drillin' be[G]fore I was numb

Some[F] beach  
Somew[C]here  
There's a [G]beautiful sunset burning up the [C]atmosphere  
[F]There's music and dancing and lovers romancing  
In the salty evening[C] air  
On some [G]beach  
Some[C]where  
On some [G]beach, some[C]where
