Make me down a pallet on your floor  
Make me down a pallet on your floor  
Make me down a pallet soft and low  
When I'm broke and I got nowhere to go

Been hanging 'round with a good-time friends of mine  
Hanging around with a good-time friends of mine  
Oh, they treat me very nice and kind  
When I've got a dollar and a dime

We're in blues everywhere I see  
We're in blues everywhere I see  
We're in blues, honey, everywhere I see  
No one ever had the blues like me

Way I'm sleeping, my back and shoulders tired  
Way I'm sleeping, my back and shoulders tired  
Way I'm sleeping, my back and shoulders tired  
Gonna turn over and try it on the other side

I'm going up the country, 20 miles more  
I'm going up the country, 20 miles more  
I'm going up the country by the cold sleet and snow  
No telling how much further I may go

Make it baby close behind the door  
Make it baby close behind the door

Make me a pallet, close behind the door  
Make it where your good man will never go

If I could hop that freight and ride  
If I could hop that freight and ride  
I'd ride through the night 'till I came you your door  
Make me a pallet on the floor.

Make me down a pallet on your floor  
Make me down a pallet on your floor  
Make me down a pallet soft and low  
When I'm broke and I got nowhere to go
