(Video is in Gm--one step lower than this arrangement)

[Am] A worried man with a worried mind,
[Dm] no one in front of me and nothing behind
There's a **[Am]** woman on my lap and she's drinkin' ch**[Am]**-**[D7]**pagne
[Am] Got white skin, got assassin's eyes,
[Dm] I'm lookin' up into the sapphire tinted skies
I'm **[Am]** well dressed, waitin' on the **[D7]** last **[Am]** train

[F] Standin' on the gallows with my **[D7]** head in a **[Am]** noose
Any **[F]** minute now I'm expectin' all hell to break **[D7]** loose
[Am] People are crazy and times are strange
[Dm] I'm locked in tight, I'm out of range
I **[Am]** used to care, but **[D7]** things have **[Am]** changed.

Interlude: **[Am]** **[Dm]** **[Am]** **[D7]** **[Am]** (3rd and 4th lines)

[Am] This place ain't doin' me any good.
I'm in the **[Dm]** wrong town, I should be in Hollywood
Just for a **[Am]** second there, I thought I saw somethin' **[D7]** move
Gonna take **[Am]** dancin' lessons, do the jitterbug rag.
Ain't no **[Dm]** shortcuts, gonna dress in drag
Only a **[Am]** fool in here would think he's got **[D7]** anything to **[Am]** prove

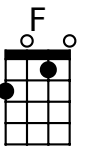

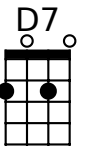

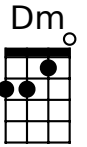

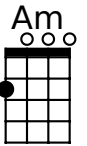

Lotta **[F]** water under the bridge, lotta **[D7]** other stuff **[Am]** too
[F] Don't get up gentlemen, I'm only passing **[D7]** through
[Am] People are crazy and times are strange
[Dm] I'm locked in tight, I'm out of range
I **[Am]** used to care, but **[D7]** things have **[Am]** changed.

Interlude: **[Am]** **[Dm]** **[Am]** **[D7]** **[Am]**

I've been **[Am]** walkin' forty miles of bad road.
If the **[Dm]** bible is right, the world will explode
I've been **[Am]** tryin' to get as far away from myself as I **[D7]** can
[Am] Some things are too hot to touch.
[Dm] The human mind can only stand so much
You **[Am]** can't win with a **[D7]** losing **[Am]** hand

[F] Feel like falling in love with the first **[D7]** woman I **[Am]** meet
[F] Puttin' her in a wheel barrow and wheelin' her down the **[D7]** street
[Am] People are crazy and times are strange
[Dm] I'm locked in tight, I'm out of range
I **[Am]** used to care, but **[D7]** things have **[Am]** changed.

Interlude: **[Am]** **[Dm]** **[Am]** **[D7]** **[Am]**

I [Am] hurt easy, I just don't show it.
You can [Dm] hurt someone and not even know it
[Am] The next sixty seconds could be like an eterni-[D7]ty
Gonna [Am] get lowdown, gonna fly high.
All the [Dm] truth in the world adds up to one big lie
I'm in [Am] love with a woman who don't even ap-[D7]peal to [Am] me

Mr. [F] Jinx and Miss Lucy, they [D7] jumped in the [Am] lake
[F] I'm not that eager to make a mis-[D7]take
[Am] People are crazy and times are strange
[Dm] I'm locked in tight, I'm out of range
I [Am] used to care, but [D7] things have [Am] changed.

Interlude: [Am] [Dm] [Am] [D7] [Am]
