

# Feels Like Texas

Gary P Nunn

[E] [A] [B] [E] [B]

Well, [E] I pulled out of Austin  
[A] Headed up to Boston  
[B] Friday night I'll head for Ala[E]bam

Every[E]time I see an exit  
[A] It makes me think of Texas  
[B] Makes me want to turn this thing [E] around.

Did my [E] time in Amarillo  
[A] The land of the armadillo  
[B] Old Bob Wills is still the king to [E] me

When I [E] hear my favorite Song  
bout that [A] rose of San Antone  
you know it - [B] feels like texas to [E] me

[A] Feels like texas to [E] me.  
Ain't no other place I'd rather [B] be.  
No [E] matter where I'm at,  
when I [A] see a cowboy hat,  
[B] feels like texas to [E] me

[E] [A] [B] [E] [B]  
[E] [A] [B] [E] [B]

Well I'm [E] west bound and down  
and I've [A] got this sucker wound  
[B] boys I'm passing everything I [E] see

Out here [E] on this interstate

I just [A] play a little Strait  
[B] Feels like Texas to [E] me

[A] Feels like texas to [E] me.  
Ain't no other place I'd rather [B] be.  
No [E] matter where I'm at,  
when I [A] see a cowboy hat,  
[B] feels like texas to [E] me

When I [E] leave the lonestar state  
and walk [A] through those pearly gates  
I know it's gonna  
[B] Feel like Texas to [E] me
