

# Some Beach

Blake Shelton

(Paul's Intro)

[C]Driving down the interstate

Running thirty minutes late

Singing Margaritaville and [G]minding my own

[G]Some foreign car drivin' dude with the road rage attitude

Pulled up beside me talkin' [C]on his cell phone

He [F]started yelling at me like I [C]did something wrong

He [F]flipped me the bird an' [G]then he was gone

Some [F]beach

Some [C]where

There's a [G]big umbrella casting shade over an [C]empty chair [(C7)]

[F]Palm trees are growin' and warm breezes blowing

I picture myself right [C]there

On some [G]beach, some [C]where

[C]I circled the parkin' lot, trying to find a spot

Just big enough I could [G]park my old truck

[G]A man with a big cigar was getting into his car

I stopped and I waited for [C]him to back up

[F]From out of no where a [C]Mercedes Benz

[F]Came cruisin' up and [G]whipped right in

Some [F]beach

Some [C]where

There's[G] nowhere to go when you got all day to get[C] there [(C7)]

[F]There's cold margaritas and hot Senoritas smiling with long [C]dark hair

On some [G]beach

Some [C]where

I G-Holdsat in that waiting room

It G-Holdseemed like all afternoon

The G-Holdnurse finally said doc's C-Holdready for you

You're G-Holdnot gonna feel a thing we'll G-Holdgive you some novocaine

That G-Holdtooth will be fine in a C-Resume Strumminute or two

But [F] he stuck that needle down [C] deep in my gum

And [F] he started drillin' be[G]fore I was numb

Some[F] beach

Some [C]where

There's a [G]beautiful sunset burrrnin' up the [C]atmosphere [(C7)]

[F]There's music and dancing and lovers romancing

In the salty evening[C] air

On some [G]beach

Some [C]where

On some [G]beach, some [C]where C-Hold
