

# IT'S GOOD NEWS WEEK

by the Hedgehoppers Anonymous

[C] It's good news week

[F] Someone's dropped a [G] bomb somewhere

[F] Contaminating [G] atmosphere

[F] And blacken- [G]-ing the [C] sky

[C] It's good news week

[F] Someone's found a [G] way to give

[F] The rotting dead a [G] will to live

[F] Go on and [G] never [C] die

[F] Have you [G] heard the [C] news

[F] What [G] did it [C] say?

[F] Who's won that [G] race?

[F] What's the [G] weather [F] like [G] today?

[C] It's good news week

[C] Lots of blood in [G] Asia now

[F] They've butchered up the [G] sacred cow

[F] They've got a [G] lot to [C] eat

[C] It's good news week

[C] Doctors finding [G] many ways

[F] Of wrapping brains on [G] metal trays

[F] To keep us [G] from the [C] heat
