I'm [G]sitting here in isolation

[G7]waiting for the vaccination [E]

[Am]stock markets down

the stores are closed

[F]retirement plans are surely hosed

[G]toilet paper's running low

it's a [Dsus4]good thing I don't have to [G]go

we're all [C]homebound

how long will [G]we

still be [C]homebound

[G]home keeping [F]social distance

[G]home without [F]friends assistance

[G]home at govern[F]ment's insistence

[D]stuck in our [G]houses

[G]i'm getting used to sleeping late

should [G7]clean the house but it can wait [G7] [E]

i [Am]try to work from my pc

but [F]soon the fridge is calling me

i [G]eat some snacks turn on tv

without net[Dsus4]flix what would life be? [G]

we're all [C]homebound

how long will [G]we

still be [C]homebound

[G]home till the [F]virus dies out

[G]home till the [F]groceries run out

[G]home till the [F]wine's all drunk

we're [D]stuck in our [G]houses

so [G]please just stay in your own space

don't GM7shave so you don't touch your face [G7] [E]

wash [Am]your hands until their raw

for [F]20 seconds that's the law

the [G]curve will flatten

we'll have seen the [Dsus4]ending to covid 19 [G]

we're all [C]homebound

how long will [G]we

still be [C]homebound

[G]home till the [F]virus dies out

[G]home till the [F]groceries run out

[G]home till the [F]wine's all drunk

and [D]we have de[G]feated GM7

corona [G7]virus [G]
