

I Can't Complain

Todd Snider

[D] [A] [D]

Little out of [D]place, little outta [D]tune

Sorta lost in [A]space, Racin' that [D]moon

Climbing the [G]walls, of this hurri[D]cane, [G]

Still over [D]all[A], I can't com[D]plain

All I wanted was [D]one chance, to let freedom [D]ring

Said I had to get a [A]permit, tags and every[D]thing

Never made it through the [G]red tape, got this paper [D]hat [G]

I got a job working [D]weekdays[A], you want fries with [D]that?

Got nothin to [G]lose, nothin to [D]gain

It's like a [G]one way t[D/F#]icket to [Em]cruise in the passing [A]lane

I Can't Com[G]pla[D/F#]in [Em] [A]

I was talking with my [D]girlfriend, I told her I was [D]stressed

[D]Said I'm going off the [A]deep end, she said, 'God, for once give it a [D]rest'

We're all waiting in the [G]dugout thinkin' we should [D]pitch [G]

How you gonna throw a [D]shut-out[A] if all you do is [D]bitch

Got nothin to [G]lose, nothin to [D]gain

It's like a [G]one way t[D/F#]icket to [Em]cruise in the passing [A]lane

I Can't Com[G]pla[D/F#]in [Em] [A]

So now I've got a brand [D]new dance, need one more [D]shot

Just need one [A]last chance you know I won't get [D]caught

Gonna make my [G]last stand this time I can't be [D]bought [G]

Then again on the [D]other hand[A] how much have you [D]got?

Got nothin to [G]lose, nothin to [D]gain

It's like a [G]one way t[D/F#]icket to [Em]cruise in the passing [A]lane

I Can't Com[G]pla[D/F#]in [Em] [A]

Little out of [D]place, little outta [D]tune
Sorta lost in [A]space, Racin' that [D]moon
Climbing the [G]walls, of this hurri[D]cane, [G]
Still over [D]all[A], I can't com[D]plain [G]
Still over [D]all[A], I can't com[D]plain [G]

Hey how are you [D] all? [A] I can't com[G]plain
Will the [D] circle be unbroken, by and [G] by, Lord, by and [D]by?
There's a [D] better home a [Bm]/ [A]/ [G]/ waitin'
in the [D] sky, Lord, [A] in the [G] sky
