# If I Needed You

Townes Van Zandt, 1972

Csus4   C   F   G

Intro:
C | |F G |C || x2

If I [Csus4]needed [C]you, would you come to me?
Would you come to [F]me and [G]ease my [C]pain?

If you needed me, I would come to you
I'd swim the [F]seas for to [G]ease your [C]pain

Well, in the [Csus4]night [C]forlorn, oh, the morning's born
And the morning [F]shines with the l[G]ights of [C]love

And you will miss sunrise if you close your eyes
And that would [F]break my [G]heart in [C]two

Interlude:
C | |F G |C || x2

The lady's [Csus4]with [C]me now since I showed her how
To lay her [F]ily [G]hand in [C]mine

Loop and Lil agree, she's a sight to see
A treasure [F]for the [G]poor to [C]find

If I [Csus4]needed [C]you, would you come to me?
Would you come to [F]me and [G]ease my [C]pain?

If you needed me, I would come to you
I'd swim the [F]seas for to [G]ease your [C]pain

Outro:
