Intro
[C] [F/C] x4

Verse 1
It's [C]another lonely [F/C]evening [C]   [F/C]
In [F/C]another lonely [Bb]town   [F/C]   [Bb]
But I [G5]ain't too young to [C5]worry
And I [Bb]ain't too old to [F]cry
When a [C]woman gets me [F/C]down   [C]   [F/C]

Got an[C]other empty [F/C]bottle   [C]   [F/C]
And [F/C]another empty [Bb]bed   [F/C]   [Bb]
Ain't [G5]too young to [C5]admit it
And I'm [Bb]not too old to lie[F]
I'm just [C]another empty [F/C]head [C]   [F/C]

That's why I'm [F]lonely
I'm so [F#]lonely
But I [G5]know what I'm going to do...

Chorus
[N.C.]I'm gonna [F]ride [C]on
[C]Ride [G]on
([F]Ride [C]on) Standing on the edge of the road
([Bb]Ride [F]on) Thumb in the air
([F]Ride [C]on) One of these days I'm[C] gonna[G] change my evil ways, huh |
[F5] Till then I'll just keep riding on

And I [F/C]broke another [Bb]heart [F/C]   [Bb]
But I [G5]ain't too young to [C5]realize
That I [Bb]ain't too old to [F]try
Try to [C]get back to the [F/C]start [C]   [F/C]

And it's [C]another red-light[F/C] nightmare[C]   [F/C]
Woah, [F/C]another red-light [Bb]street [F/C]   [Bb]
And I [G5]ain't too old to [C5]hurry
Cause I [Bb]ain't too old to [F]die
But [C]I sure am [F/C]hard to beat [C]   [F/C]

But I'm [F]lonely
Lord I'm [F#]lonely
[G5] What am I gonna do?
