# The Sun Keeps Shining

Avery Hill (2020) - <u>Play along here</u>

Standard time - Each chord = 4 beats - Standard strum or pick

**Intro: Vamp A**

**Verse 1:**

          A            E/A     Ainv         D
On the night John Prine died, the pink moon did shine
    Ainv      E/A      A   A
And   I   tried to take it as a sign
        A          E/A     Ainv    D
Come what will, come what may, we will all be o-kay
    Ainv        E/A        A   A
Even those, bless their souls, who have died

**Chorus:**

        D             D         A   A
'Cause the sun keeps shining even when it's set
   D         D         Ainv        E/A
He sings his tune to the moon so we know that he ain't dead
     A       E/A     Ainv     D
He's just shining from a place that we haven't got to yet
    Ainv        E/A     A   A
Oh, the sun keeps shining even when it's set

**Verse 2:**

There's a <u>grief</u> hangs in the <u>air</u>, we can <u>feel</u> it every-<u>where</u>
Even <u>as</u> the cherry <u>trees</u> begin to <u>bloom</u>
Like a <u>whisper</u>, petals <u>fall</u>, we <u>try</u> to catch them <u>all</u>
Try to <u>hold</u> them even <u>as</u> we let them <u>go</u>

**Chorus**     **(They)**
**Interlude:**   **Chorus chords**

**Verse 3:**      We all <u>make</u> our mis-<u>takes</u>, we don't <u>know</u> the toll they'll <u>take</u>
But they <u>say</u> the only <u>way</u> out is <u>through</u>
I <u>know</u> you never <u>meant</u> to <u>break</u> me as I <u>bent</u>
And I <u>never</u> did in-<u>tend</u> to hurt <u>you</u>

**Verse 4 (single strums):**
When the <u>darkest</u> hour <u>comes</u>, the <u>body</u> goes <u>numb</u>
But the <u>heart</u> still feels <u>everything</u> at <u>once</u>
(*Resume strum / pick:*)
If we <u>didn't</u>, now we <u>know</u>: the days will <u>come</u>, the days will <u>go</u>
Ashes to <u>ashes</u> and <u>dust</u> to <u>dust</u>

```
                           D                 D          A      A
Final Chorus:    'Cause the sun keeps shining even when it sets
                   D          D             Ainv            E/A
          Now we sing our tune to the moon so we know that we ain't dead
                   A              E/A      Ainv                 D
          Keep on singing, keep on living to that place we're trying to get
                Ainv              E/A          A    D/
          Oh, the sun keeps shining even when it sets,      yeah
             Ainv                E/A          A    A    A    End A
          the sun keeps shining even when it sets
```
