Jimmy LaFave, 2008

Key of G

[G] . . . | [Em] . . . | [C] . . . | [G] . . . | X2

Verse 1:

[G] You know I'll never under-[Em]stand it, babe
[C] Wanderlust in my [G] soul
[G] And though I want to [Em] be with you
[C] Hey, I don't really [G] know
[G] 'Cause I'm looking out your [Em] window, girl
[C] And I'm drifting with the [G] wind
[G] Moving on is my [Em] middle name
[C] Hey, here I go a-[G]gain

Chorus:

There's a [C] car outside
And there's a [G] road
There's a [D] time to stay
And a time to rock and [G] roll
You've been a [C] real good friend
But I'm on my [G] way
If I don't [D] see you real soon
I'll [C] see you down the road some-[G]day

Verse 2:

[G] I hear the highway [Em] calling me
[C] Time and time a-[G]gain
[G] Clearer than the [Em] master's voice
[C] Just like a next of [G] kin
[G] I tried to settle [Em] down one time,
[C] was in my younger [G] days
[G] But I fell into a [Em] ramblin' song
[C] And it carried me a-[G]way

Chorus:

There's a [C] car outside
And there's a [G] road
There's a [D] time to leave
And a time to rock and [G] roll
You've been a [C] real good friend
But I'm on my [G] way
If I don't [D] see you real soon
I'll [C] see you down the lost high-[G]way

Repeat Chorus:

There's a [C] car outside
And there's a [G] road
There's a [D] time to stay
And a time to rock and [G] roll
You've been a [C] real good friend
But I'm on my [G] way
If I don't [D] see you real soon
I'll [C] see you down the road some-[G]day

Outro:

If I don't [D] see you real soon
I'll [C] see you down the road some-[G]day
