

“High Flying Bird” Songwriter: Billy Edd Wheeler, Performed by Judy Henske & Jefferson Airplane

Db6 E7 Db6 E7

There's a [Db6] high flyin' bird

[E7] Way up in the [Db6] sky [E7]

And I [G] wonder does he look [Gbm] down

As he [Db6] flies on by [E7]

Whoa, he's [Db6] ridin' on the air

So [E7] easy in the [Dbdim7] sky

But Lord, look at [Db6] me here [E7]

Oh, I'm rooted like a [Db6] tree here [E7]

I've got those [G] sit down, [Gbm] can't cry

[G7] Oh Lord, I'm [E7] gonna die

[Db6] blues [E7]

Now, the [Db6] sun comes along [E7]

Oh Lord, it lights up the [Db6] day [E7]

Then [G] when he gets tired

He [Gbm] slides on over the [Db6] way [E7]

Oh-whoa, it's [Db6] east to the west

He [E7] gets gone every [Dbdim7] day

But Lord, look at [Db6] me here [E7]

Oh, I'm rooted like a [Db6] tree here [E7]

I've got those [G] sit down, [Gbm] can't cry

[G7] Oh Lord, I'm [E7] gonna die [Db6] blues [E7] [Db6] [E7]

Now, [Db6] I had a man [E7]

And he lived down in a [Db6] mine [E7]

Now, he [G] never saw the sun

But [Gbm] Lord, he never stopped [Db6] tryin' [E7]

[Db6] Then one day [E7]

my man up and [Dbdim7] died

I said my man up and [Db6] died [E7]

Oh yeah, my man up and [Db6] died [E7]

Oh well, he [G] wanted to fly

And the [Gbm] only way to fly was to [Db6] die [E7]

There's a [Db6] high flyin' bird [E7]
Way up in the [Db6] sky [E7]
And I [G] wonder does he look [Gbm] down
As he [Db6] flies on by [E7]
[Db6] Ridin' on the air
So [E7] easy in the [Dbdim7] sky.

But Lord, look at [Db6] me here [E7]
Oh, I'm rooted like a [Db6] tree here [E7]
I've got those [G] sit down, [Gbm] can't cry
[G7] Oh Lord, I'm [E7] gonna die [Db6] blues [E7]

Oh, Lord, I'm gonna die [Db6] blues [E7]
Oh Lord, I'm gonna [Db6] die [E7] [Db6]
