FADED LOVE

(by John Wills & Bob Wills)

As I [C]look at the [C7]letters that [F]you wrote to [F]me
It's [C]you that [C]I am thinking [G7]of[G7]
As I [C]read the [C7]lines that to [F]me were so [F]dear
I re[C]member our[G7] faded [C]lo-ve[F][C]

I[C] miss you, da[C]rling, more and [F]more every [F]day
As [C]heaven would miss the stars a[G7]bove
With [C]every heartbeat, I still [F]think of [F]you
And re[C]member our[G7] faded [C]lo-ve[F][C]
[C][G7][C]-[F][C]
instrumental

As I [C]think of the[C7] past and all[F] the pleasure[F]s we had
As I [C]watched t[C]he mating of t[G7]he do[G7]ves
It wa[C]s in the [C7]springtime tha[F]t you said [F]goodbye
I [C]remember our[G7] fade[C]d lo-ve[F][C]

I[C] miss you, da[C]rling, more and [F]more every [F]day
As [C]heaven would miss the stars a[G7]bove
With [C]every heartbeat, I still [F]think of [F]you
And re[C]member our[G7] faded [C]lo-ve[F][C]
